Sapphire CARE PLAN

Complete protection
for your **LanTEK®**
cable certifier and
FiberTEK® kit

Depend On Us

Sapphire

CARE PLAN

The new **Sapphire Care Plan** for LanTEK[®] cable certifiers and FiberTEK[®] adapters is designed to help minimize down time, reduce the cost of ownership and protect against unforeseen repair bills.

Free Annual Calibration

Maintain Accuracy

Cable certifiers require calibration every 12 months to ensure measurements are accurate and they comply with the international technical standards.

We will calibrate the certifier at no extra cost and perform any software and firmware updates that are required.

Free Repairs

Protect Against Unforeseen Bills

The certifier and all accessories are covered for standard repairs during the term of the Sapphire Care Plan.

Free Loan Unit During Repairs and

Calibration No Downtime

In the event your LanTEK cable certifier and FiberTEK adapters may need repair, a loan tester will be dispatched within one working day of a fault being reported.

For calibrations a loan unit is supplied to minimize downtime and keep you up and running. The loan unit is delivered prior to your LanTEK cable certifier and FiberTEK adapters being collected.

Free Training and Technical Support

Our expert technicians will provide online training and technical support, free of charge. Please contact us on **973-957-7700** and provide your **Sapphire Care Plan** certificate number.

Free Shipping Reduce Costs

When your LanTEK cable certifier and FiberTEK adapters require repair or calibration we will arrange for onsite collection and return delivery, free of charge.

Free Replaceable Wear Parts

Reduce Cost of Ownership

Every year choose from one of the following options, free of charge.

Sapphire

CARE PLAN

Terms and Conditions

- The first free accessories can be claimed anytime within the first twelve months of the Sapphire Care Plan commencing. Accessories cannot be carried over to the following twelve month period and it is the customer's responsibility to claim the free accessories.
- Customer must include all permanent link, channel, fiber, MPTL and patch cord adapters when sending a certifier for calibration.
- Calibration loan units – To ensure a loan unit is available, the calibration must be scheduled 6 weeks in advance of the requested calibration date. The calibration must also occur within 4 weeks of the calibration due date. If the calibration is scheduled outside of this time period, there is no guarantee that a loan unit will be available.
- Customer must return the certifier(s) on loan within one week of receiving their certifier(s). Please contact customer services to arrange collection of the loan unit(s). If not, the customer will be billed for the full replacement cost of the loaned unit(s).
- Free repairs are not included for defects arising from fair wear and tear, wilful damage or negligence.
- When purchasing Sapphire for FiberTEK adapters the LanTEK certifier must also have a Sapphire Care Plan.
- If a Sapphire Care Plan is purchased for a LanTEK cable certifier and FiberTEK adapters that are older than 60 days, prior to coverage taking effect, a prior inspection of the unit will be required to ascertain that it is in good working order. If faults are found or calibration is required, an estimate for the repair or calibration cost will be provided to you for approval. Once authorization and payment have been received, the LanTEK cable certifier and FiberTEK adapters will receive priority service and the Sapphire Care Plan will commence upon shipment to you. If the LanTEK cable certifier and FiberTEK adapters are in working order, no charge will be incurred for the cost of inspection and the LanTEK cable certifier and FiberTEK adapters will be returned and the Sapphire Care Plan will commence on the date the certifier is returned.
